It's an incredible way to honor our heroes, pay our respects, and reflect on the sacrifices they made.

Your Rancho Sahuarita Resident Relations Team:

Supporting Every Neighbor

At the foundation of Rancho Sahuarita's vibrant sense of community is the Resident Relations Team, dedicated to fostering connections, creating lasting memories, and ensuring every resident feels at home from day one. Led by Resident Relations Manager Becky Ornelas, this team's mission is to serve residents as the "first faces" of the community experience in many ways, and to strengthen the bonds that make Rancho Sahuarita such a special place to live.

Becky and the team oversee the daily operations of the Welcome Center, which includes the Front Desk and tour experiences at Club Rancho Sahuarita. This is where the Rancho Sahuarita journey begins for many, as the team works to ensure a warm and seamless welcome for resident visits, new resident registrations, prospective future residents, and any guests.

From friendly greetings with a smile, to prompt attention to resident concerns, they serve as the go-to resource for residents from the start. They help new residents register with Club Rancho Sahuarita as quickly and as seamlessly as possible; ready to address questions, clarify information,

and provide the guidance needed to get new residents set and ready to start enjoying everything available to them.

Beyond their day-to-day responsibilities, the team is constantly focused on elevating the resident experience, with exemplary customer service, unexpected moments of delight with fun giveaways and contests, and engaging and informative tours.

Another key goal of this team is to create opportunities for residents to connect with one another. Becky shares, "We host resident events such as Resident Mixers and Pocket Park Parties. These special events give both those new residents and long-time residents the opportunity to mix, mingle and connect with their community." Being a welcoming introduction to the Rancho Sahuarita lifestyle, those meet-ups are a chance for new families to meet staff and current residents, an opportunity for connection amongst old friends, and a foundation for lasting friendships that can go on for years to come.

Thank You

to our Resident Relations Team for everything you do to create a better life for the families that call our community home!
