You Asked. We Answered.

Helpful answers to the questions residents ask and reminders about living in Rancho Sahuarita

“Where can e-bikes, motorized scooters and mini bikes be used in the community?”

Please remember to keep these motorized vehicles on asphalt surfaces only. Riding on sport courts, sidewalks, or other HOA common areas can cause significant and costly damage to surfaces that aren't designed for motorized use. Please ride responsibly, and help protect the shared spaces and amenities we all enjoy.

“What can we do about neighbors not picking up after their dogs?”

Keeping Rancho Sahuarita clean and beautiful takes all of us. Please remember to pick up after your pets and properly dispose of waste. It's a simple act of courtesy that helps keep our common areas clean, healthy and enjoyable for fellow residents and furry friends alike.

“How do I add a shade structure to my backyard?”

Before starting any exterior project, take the time to carefully review the architectural guidelines and submit a complete application before work begins. Respond promptly to any follow-up questions and wait for written approval before starting your project. Taking these steps upfront can help avoid delays, enforcement action and unnecessary expense while contributing to the overall appearance and long-term value of the community. For questions, contact John Cousins with Associa Arizona, at 520-877-4611.

Save the Date!

Join Rancho Sahuarita, iHeart Media and Run Tucson for our ***Trails and Tails 5K and 1 Mile Doggie Dash*** benefiting local animal rescues and shelters. Let's turn community energy into real support for our furry friends!
